

## GREASE RENDERERS

North Dakota Department of Health - Division of Waste Management  
 Address: 918 E. Divide Ave., 3rd Fl., Bismarck, ND 58501-1947 • Telephone: 701-328-5166  
 Fax: 701-328-5200 • Web site: [www.ndhealth.gov/wm](http://www.ndhealth.gov/wm) • Rev: 04-2010

The Department encourages recycling of waste greases, cooking oils, and slaughterhouse wastes. To assist in this effort, the Division maintains the below list of companies that pickup and/or recycle such wastes as a service to interested parties and the general public. The list may not represent all available services. In providing the list, the Division is not endorsing any specific company or guaranteeing their compliance with applicable laws. The Division advises interested parties to evaluate the services and compliance status of any company they use or plan to use to manage their wastes. For additions or corrections to this list, please contact the Division at the above-noted telephone number.

| Company Name                                 | Address                                    | Phone Number | Area(s) Served                 | Types of Waste  | Minimum Amount | Frequency of Pickup | Pickup<br>Yes No |  |
